Team Practice or 3-on-3
Games
Recap of the Day

Coast to Coast Basketball Camp was started because the need to go back to basics is imperative. So many athletes today lack the basic skills needed to be a great player.

Coast to Coast will give your child that athletic edge. Every player will improve their game through hard core drills and game play. The staff is committed to developing each camper into the best athlete they can be.

Scott A. Welle, Camp Director
