

**R**ocky Ferrante is proud to have Doug Elwell as part of his staff. Doug is no stranger to Staten Island basketball. As with Rocky Ferrante, Doug began his basketball journey participating in CYO at St. Clare's. During his boyhood summers, Doug spent many hours honing his craft on the island's playgrounds and attended various camps throughout the years. All his work eventually paid off. Doug was a four-year starter at Monsignor Farrell. He ended his high school career as an all-time leading scorer with **1,447 points** - fourth highest in Staten Island history. With that came numerous post-season awards culminating in a full athletic scholarship to Division I Wagner College. Doug's work ethic, skills and ability to nurture others are second to none. Doug looks forward to working with those who have the same zest for the game as he did growing up.

## **DOUG ELWELL**

### **ADDITIONAL STAFF**
